COLORS

ENGINEERED TO INSPIRE

Created to inspire and positively affect the places people work, live, play and shop. That's what designers do, and we want to help. Let our solid surfaces unleash your imagination, down to the tiniest detail, they've been engineered to do just that — inspire.

How? It's simple. They're durable and versatile with limitless design possibilities. Nonporous and stain-resistant. Look over our colors and contact us. We'd love to hear from you, and who knows, maybe we will inspire you, too.

Hanwha Surfaces is committed to delivering products made to perfection. For more information, please refer to the Technical Specifications section at www.hanwhasurfaces.com

BELASSIMO

EPISODE II

The colors within our Bellassimo Ep II Collection fuse versatility with beauty. Shades and patterns are inspired from conversations with designers and architects all around the country. Each engineered to help you create an environment that impacts everyday lives.

The designs themselves are inspired by the flow of nature: ocean waves, winds rustling trees, shifting sands and craggy stone. Making them a perfect fit for a range of stylistic choices, from modernism to something timeless.

BELASSIMO

Inspired by the gorgeous patterns and distinctive colors found only in nature, this unique and irresistible collection fuses sophistication with luxury, and unparalleled design with rapturous natural appeal.

 RANDOM VEINING

CLASSICS

Crafted from a unique blend of acrylic resins and natural materials, our Classics Collection offers endless design possibilities with a wide variety of color combinations, textures and hues – inspired by the wonder of nature.
